# SAVE THE DATES

Hold a Green4GrenfellDay

between 7th - 14th June 2023

More information and E-pack soon from the DFE bulletin

WWW.GREEN4GRENFELL.ORG

Website: www.green4grenfell.org

### Outline for Green4GrenfellDay for schools:

#### When is it?

Schools are asked to mark their **Green4GrenfellDay** within the one week window between the 7th - 14th June.

#### What is it?

### Green4GrenfellDay has two main purposes;

- 1. To remember those lost or affected by the fire, the largest loss of life as a result of a fire since World War Two.
- 2. To celebrate the community and recognise those people who are the unsung heroes or good neighbours within our communities.

Schools can choose from a variety of ways to mark their **Green4GrenfellDay**. Here are some ideas:

- Green Mufti Days
- School/Community Planting Days
- Green Themed Cake Sales
- Green Themed Craft Day
- Sing the Grenfell song that Cornwall Hugs Grenfell created with survivors and bereaved

And this year we have invited you to write a short poem up to 72 words. This can be about anything to do with the Green4Grenfell campaign. Whether it's about community initiatives, your neighbours and what they mean to you, or coming together and remembering. (for full details, please see the attached poster)

The idea is that all funds raised through these activities go towards local projects or initiatives. The aim is to work together to build better communities, and reinforce the idea of helping others locally.

To support schools in their **Green4GrenfellDay** activities, we have included an E-Pack shared to all schools through the DfE E-bulletin route.

#### What does the E-Pack include?

Assembly Template Slides - these can be tailored to be age appropriate. Last year, some schools explored the following themes:

- What it is to be a neighbour in the 21st century
- What it means to 'be the change you want to see in the world'
- Housing issues and differences
- What the differences are between pity, compassion and empathy and how to turn those into action.

Art Activity - Grenfell Community Hero Heart Template

Getting children to explore why the green heart was used to represent Grenfell; signifying love, caring, volunteering, support, hope, future. Once themes discussed children asked what those things mean to them and who in their community encompasses these qualities. Children to nominate their community hero, decorate their heart and submit their entry. Schools to select winner and award badge and certificate to community hero Link to request your Grenfell Community Hero badge and certificate.

Templates: Letter for parents, Posters for schools to publicise event, Template wording. For social media - we ask schools to share their **Green4GrenfellDay** activities on social media using hashtag **#Green4GrenfellDay** 

### Green4GrenfellDay is between 7th - 14th June

Dear School,

In the days after the Grenfell Tower Fire our community came together in a great show of unity, and an enormous amount of support poured in from across the UK. It's this spirit of people coming together that we mark **Green4GrenfellDay** each year in June.

To join in children can:

- wear something green to school
- help with a school project or local cause
- let us know about it using the hashtag #Green4GrenfellDay

Between the 7th and 14th of June we will be holding our own community days to reflect the immense support we received after the fire. We want to spur people across the UK to celebrate solidarity and diversity within their own communities by working together on a project of their choosing. You could organise planting in the school garden or gather donations for your local food bank – any activity that will benefit your school or local area.

This year we invite you to write short poem up to 72 words. It can be about anything to do with the Green4Grenfell campaign, whether it's about community initiatives, your neighbours and what they mean to you, or coming together and remembering. For full details please see the poster.

You can download an information pack from our website, which has lots more ideas to help you join in: www.green4grenfell.org

We hope you and your child or children will join us in promoting unity and community between the 7th and 14th of June and tell us about it using the hashtag #Green4GrenfellDay

Yours sincerely,

The Grenfell Community

# 7th - 14th June!

| We hope you and your child or children will join us in celebrating school staff and health we between the 7th and 14th of June and tell us about it using the hashtag #Green4Grenfell                |   |
| Yours sincerely,   |   |
| and the Grenfell Community   | • |

Every year we invite everyone across the country to take part in Green4Grenfell, to remember Grenfell and the 72 lives lost. This year Green4Grenfell week will be from 7th-14th June 2023.

Any activity that brings people together and benefits your local area will capture the spirit of **Green4GrenfellDay**.

- You could team up with other local groups, schools or businesses if you need more help.
- Make sure the activity is accessible to everyone who wants to participate.
- Will you be fundraising for a local cause such as buying equipment for a local community or voluntary group?
  Or will it be a hands-on project like organising a football game or hula hoop contest?
- Ask everyone to wear green!

Share your stories and photos with us using the hashtag **#Green4GrenfellDay**
